CONTENTS DIRECT

Tables of Contents by e-mail

It's Direct
Too busy to surf the Net? ContentsDirect comes directly to you.

It's Free
ContentsDirect is provided as a service to individuals interested in our journals. There is no charge.

It's Pre-Publication
The Contents message will arrive directly on your pc approximately two to four weeks prior to a journal's appearance in libraries.

It's Easy
There is no training required. If you use e-mail then you can receive ContentsDirect.

It's Frequent and Regular
Every time a journal issue is published, it will be preceded by its own ContentsDirect update.

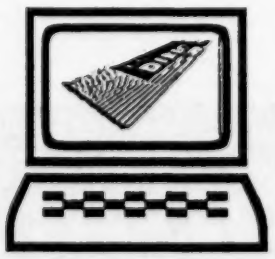
Which Journals?
For a list of ContentsDirect journals, please send an e-mail message to **cdhelp@elsevier.co.uk**

How to Subscribe by E-mail
Send a message to **cdsubs@elsevier.co.uk** giving the following information:

- Your name
- Your e-mail address
- Your full postal address and fax number
- The journals for which you would like to receive the ContentsDirect service.

How to Subscribe by Post or Fax
Send the information above to your nearest Elsevier Science office.

Journal contents pages delivered directly to your pc for free!
Don't wait for your existing contents service to catch up - sign up today!



IMPORTANT: ContentsDirect can be sent to your Internet e-mail address only. If in doubt about your Internet e-mail address, contact your institution's information technology/telecommunications department for advice.
